

Time Table (tentative)

■ Day 1 Thursday, May 29

Time	Ishikawa Ongakudo			Motenashi Dome	Ishikawa Ongakudo
	Room 1 Concert Hall	Room 2 Hougaku Hall	Room 3 Koryu Hall	Posters	Exhibition Concert Hall Foyer
8:00					
9:00	8:45-11:15 S1	8:45-11:15 S2	8:45-11:15 S3	Setup	
10:00	Activities of World-leading Vaccine Research and Development Centers	Frontline of Biofilm research	Taxonomy and Nomenclature of Bacterial Species in the Genomic/Metagenomic Era	Display	Exhibition
11:00					
12:00	11:30-12:30 Luncheon Seminar 1	11:30-12:30 Luncheon Seminar 2			
13:00	12:45-15:15 S4	12:45-15:15 S5	12:45-15:15 S6	Display	Exhibition
14:00	Host-pathogen interplay mediated by ubiquitin	Current Status and Future Challenges of Microbial Monitoring	The Strategies of Skin Damaging Pathogens		
15:00					
16:00	15:25-17:25 W1	15:25-17:25 W2	15:25-17:25 W3	17:35-19:05 Presentation Discussion [Odd#] 45 min [Even#] 45 min	
17:00	Bacterial Infectious Diseases in the tropics: Challenges for Global Health	Flash Talk 1	Flash Talk 2		
18:00					
19:00					
20:00					

Time Table (tentative)

■ Day 2 Friday, May 30

Time	Ishikawa Ongakudo			Motenashi Dome	Ishikawa Ongakudo
	Room 1 Concert Hall	Room 2 Hougaku Hall	Room 3 Koryu Hall	Posters	Exhibition Concert Hall Foyer
8:00					
9:00	8:45-11:15 S7	8:45-11:15 S8	8:45-11:15 S9	Setup	
10:00	Recommendations for Research Abroad: Take Lessons from International Eminent Principal Investigators	Antibiotic-resistant bacteria do not wait for serious situations, and there is no silver bullet for infectious diseases	Microbiology meets micro-nano engineering		
11:00				Display	Exhibition
12:00	11:30-12:30 Luncheon Seminar 3	11:30-12:30 Luncheon Seminar 4			
13:00	12:40-14:40				
14:00	General meeting Award lecture				
15:00	14:45-15:45 Special Lecture (Overseas Speaker)				
16:00	15:55-17:55 W4	15:55-17:55 W5	15:55-17:55 W6		
17:00	Bacteriology learnt from each case	Flash Talk 3	Flash Talk 4		
18:00				18:05-19:35 Presentation Discussion	
19:00				[Odd#] 45 min [Even#] 45 min	
20:00					

Time Table (tentative)

■ Day 3 Saturday, May 31

Time	Ishikawa Ongakudo			Motenashi Dome	Ishikawa Ongakudo
	Room 1 Concert Hall	Room 2 Hougaku Hall	Room 3 Koryu Hall	Posters	Exhibition Concert Hall Foyer
8:00					
9:00					
10:00	9:10-11:40 S10 Emerging interactions between bacteria and self-referential immunity	9:10-11:40 S11 Beyond Borders: Challenges for International Students and Postdocs	9:10-11:40 S12 Research presentations by junior high school and high school students		Exhibition
11:00					
12:00	11:55-12:15 Award Ceremony for Outstanding Poster Presentations	11:55-12:55 Luncheon Seminar 5	11:55-12:55 Luncheon Seminar 6		
13:00					
14:00	13:00-15:00 W7 Recent advancements in oral microbiome research for promoting health	13:00-15:00 W8 Wakate colosseum for bacteriology - Young bacteriological research for the future	13:00-15:00 W9 Bacteriological Research in the Category of Clinical Laboratory Sciences		
15:00					
16:00	15:15-17:15 W10 Ingenious strategies of bacteria using virulence factors	15:15-17:15 ICD Seminar	15:15-17:15 W11 Antimicrobial activity of natural substances -Update for Future Strategies in Infectious diseases-		
17:00					
18:00					
19:00					
20:00
